Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Thursday 15 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry weather continuing, feeling very warm on Friday.

This Evening and Tonight:
It will be staying dry through the evening and overnight, with clear skies for most but a risk of the odd isolated fog patch forming for prone locations. Minimum temperature 10 deg C (50 deg F).

Friday:
Another fine day, after any early fog patches clear. Plenty of sunshine throughout, with some patchy fair-weather cloud developing into the afternoon. Feeling very warm or hot in the sunshine. Maximum temperature 27 deg C (81 deg F).

Outlook for Saturday to Monday:
Staying dry with plenty of sunshine over the weekend, and temperatures rising further. Into Monday, cloud returns, temperatures may come down slightly, with the odd heavy shower possible.
